PRODUCT DECLARATION / SAFETY DECLARATION — Asbestshop Vision Goggle

1. Product Information

- Product name: Asbestshop Vision – Safety Goggle
- Packaging: 1 piece / box of 30 pieces
- Brand / Supplier: Asbestshop
- Application: Protective safety goggle providing eye protection against dust, debris, splashes and ultraviolet light during industrial, construction and hazardous-dust activities.

---

2. Product Description

The Asbestshop Vision Goggle is a full-seal protective goggle with a clear polycarbonate lens and an adjustable elastic strap.
It is certified according to EN 166 (personal eye protection) and EN 170 (UV protective filters).
The goggle is suitable for general industrial use, dust protection and tasks involving hazardous particulates when used together with appropriate PPE.
(Certification is held by the original manufacturer; Asbestshop acts as supplier.)

---

3. Key Features & Properties

- Standards: EN 166, EN 170
- Optical class: 2
- Mechanical strength: S (increased robustness)
- UV filter rating: 2C-1,2
- Full-seal design for particle protection
- Clear polycarbonate lens
- Comfortable elastic headband

---

4. Usage & Handling (Summary)

- Ensure a proper seal around the eyes.
- Suitable for dust, debris, splashes and UV exposure.
- Can be used for asbestos-related tasks as part of a complete PPE set.
- Replace if scratched, cracked or heavily contaminated.

---

5. Health & Safety Information

- Contains no asbestos.
- Does not protect against gases or vapours.
- Must be used together with other PPE when required (e.g. respirator, gloves).

---

6. Environmental & Disposal

- Store in a dry, cool place.
- Dispose of according to local regulations.
- If used in contaminated zones, dispose of as hazardous waste.

---

7. Supplier Declaration

Asbestshop declares that the "Asbestshop Vision Goggle", when used according to instructions, meets the relevant requirements of EN 166 and EN 170 for personal eye protection under Regulation (EU) 2016/425.

This declaration is based on the conformity documentation supplied by the manufacturer.
